CollClubSports “Fashions” a Deal with Rawlings

CollClubSports and Rawlings Sporting Goods Company, Inc. have signed a new contract making Rawlings the “Official Uniform Supplier of CollClubSports.” Rawlings has also been named as an “Official” sponsor of the NCSA World Series in Columbus, Georgia. Further, they will be “Presenting” the NCFA National Championship Bowl Game to be held in Salem, Virginia.

The Rawlings mission has targeted enabling the participation of athletes at every level by developing and producing high-quality performance and protective equipment and apparel since 1887. Rawlings also holds the title “The Official Baseball of the NCBA” and serves as the official baseball for the NCAA, as well as being the Official Baseball Supplier and Official Helmet of Major League Baseball.

“Rawlings is proud to be the Official Uniform Supplier of CollClubSports,” said Mark Kraemer, Senior Sports Marketing and Licensing Manager for Rawlings. “They do an outstanding job of enhancing the educational experience of students by providing additional leadership and character building opportunities that would not be possible without their guidance. Rawlings is passionate about partnering with such a strong governing body to continue to give players an opportunity to take their education and game to the next level.”

As a part of the deal, CollClubSports has become an authorized Rawlings dealer. This agreement allows the league to offer discounts of 30-35% off of Rawlings’ new catalog pricing. Member teams are still receiving the same exclusive low prices that they were receiving before Rawlings restructured their catalog. As the “Official Uniform of the NCBA,” Rawlings will include the official NCBA Jersey Patch on the back neck of all jerseys, coats, and jackets sold to Club Baseball teams. They will also feature the official NCBA Pants Patch above the right rear pocket of team uniform pants. Being the “Official Uniform of the NCSA,” Rawlings will sport the official NCSA Jersey Patch on the back neck of all team jerseys, coats, and jackets as well as the official NCSA Pants Patch on team uniform pants and shorts, placed above the right rear pocket, on all Club Softball team orders. “The Official Uniform of the NCFA,” Rawlings has agreed to showcase the official NCFA Jersey Patch on Club Football team jerseys across from the Rawlings “R.” They will also show the official NCFA Pants Patch across from the Rawlings “R” on team uniform pants.

Eric Curitore, Rawlings Sponsor Account Manager at CollClubSports, puts it best: “We’re extremely excited to have Rawlings back as the Official Uniform Supplier of CollClubSports. Over the years they have done nothing but provide quality uniforms to all our teams at great prices. Teams throughout all of our leagues have the opportunity to take advantage of the large assortment of designs and features that Rawlings uniforms can provide them. Rawlings makes a fantastic product, and we’re excited to have built this relationship with them!”
