Breaking: Rawlings and CollClubSports Agree to 2-Year Apparel Deal

Pittsburgh, PA --

CollClubSports has reached a 2-year deal with Rawlings Sporting Goods, for them to be the "Official Apparel Provider of the NCBA and NCSA."

"During my time holding the Rawlings Sponsor Account Manager position, among the most frequent questions I am asked is 'can Rawlings decorate their performance apparel?' I am very proud to announce that the answer is finally a 'Yes!' As a part of our two year agreement with Rawlings as the Official Apparel

Provider of the NCBA and NCSA, they are now able to decorate their shirts, shorts, cage jackets, and more with the customer's personal designs. From team swag to items to sell at team fundraisers, and discounts of at least 35% off, Rawlings can provide exactly what you are looking for." says Paul Williams, the CollClubSports Rawlings Account Manager.

Rawlings is excited to offer **CUSTOM** apparel once again as that opportunity was not available the past few years. The items available include tees, hoodies, sweatpants, cage jackets, pullovers, shorts, and more. All apparel comes with the NCBA or NCSA league logo at no additional charge. To get started, check out their catalog!
