## 2022 PREVIEW GUIDE

**Team Name: Cal Club Baseball**

**Mascot: Golden Bears**

**Location: Berkeley, California**

**Captain(s)/Coach(s): President - William Cumbelich**

### **2019/2020 NCBA Season Performance:**

- 2019/2020 NCBA Season Record: **8 - 6**
- Notables: **Cal's 2020 season was highlighted by conference series wins against opponents Sonoma State on the road and UC Davis at Evans Diamond. Before the season was wiped out by coronavirus, Cal swept the USC Trojans at home, by way of two walk-off victories in the rain. This capped off what could've been a strong season for the Bears, with their only series loss coming against UCLA on the road early in the season. Hopes for making a run to the playoffs for the first time in recent history were dashed by COVID stripping Cal of the rest of the 2020 season, as well as the 2021 season.**

### **Fall 2021 Performance (If Applicable)**

- 2021 Fall Record (NCBA Sanctioned Games Only): **N/A**
- Notables: **Cal Club Baseball was able to make up for two years of recruiting in just one, growing the roster back up to 25 players in September. The Bears played several Fall series, against local teams including Menlo College and Saint Mary's College, as well as taking on San Diego State. Cal focused on developing depth and pitchers, getting many players acclimated to what was their first competitive baseball in over a year. Several guys got their first chance to throw some pitches or take some hacks in a Cal uniform, and made some great memories picking up that Sunday afternoon In-n-Out or taking on the Berkeley social scene together.**

**Number of Returning Players: 9**

**Returning Past All Region/NCBA All American Award Winners (Please list player names, specific accolades & years won): 0**

**Players to Watch: President Billy Cumbelich has become the President Cal needed after COVID, taking on several responsibilities while pitching, catching, and being a strong upper-half of the lineup hitter. Utility man Matt Walker brings defensive versatility in the infield and outfield while he batted .429 in the Fall and got on base at a .636 clip, creating runs through speed and aggressiveness on the basepaths. Lefty Harrison Fiscus showcased his raw strength and power, chucking mid-80s fastballs on the bump and launching balls over the fence, hoping to become an**

**All-American after he was one bad weekend away from achieving it as a Freshman. The no-fly zone of seniors Max Ackerman, Nick Solan, and Walker hope to continue catching everything in the air and throwing out everything on the basepaths while anchoring the top and middle of the batting order.**

**New additions: Lefty Tyler Mahomes stepped up on the bump during the Fall and is line to be a big innings-eater this season on the mound for the Bears. Infielder Cortez Rush showed off some raw power and ability to barrel up a baseball and should get several chances to show off his glove at the hot corner. Speedy infielder Hyuma Tamura showed off electric speed and brought energy into the dugout leading off games. Pitcher Victor Benitez has a strong fastball and nasty stuff, able to get guys to swing and miss or roll over, and should be a valuable asset late in games or as a starter.**

**Biggest Rival: UNR**

**Best Player Nickname: Nick Solan - SoulTrain**

**2021-2022 Season Outlook: In 2022, Cal's expectations are nothing less than a conference title, and they hope to make a run through Lancaster all the way to the NBCA championship. It's not an easy road, but Cal has the mindset and guys to be playing baseball in late May, and they're willing to do what it takes to make it happen.**

**Manager Quote: Cal Club Baseball is a tough, hard-nosed baseball team that will compete all season long for a chance to run the table at Regionals. We will play smart, play as a team and let winning take care of itself. Led by a talented group of seniors, we are putting the work in and excited to get back out there for the first time in two years. Go Bears!**

## 2022 PREVIEW GUIDE

**Team Name:** Club Baseball at San Jose State University

**Mascot:** Sammy the Spartan

**Location:** San Jose, California

**Captain(s)/Coach(s):**

- Head Coach/Manager: Gabe Torres Fernandez
- Assistant Coach: Matt Lee

**2019/2020 NCBA Season Performance:**

- 2019/2020 NCBA Season Record: 3 wins, 2 losses

  - In 18 plate appearances, then sophomore Ryan Renelle broke out by hitting .563/.611/.812.
  - In 6.1 innings pitched, ace Kyle Koperski struck out 3 batters and earned 1 win. He put together a cumulative 0.00 ERA and 1.11 WHIP.

**Fall 2021 Performance (If Applicable)**

- 2021 Fall Record (NCBA Sanctioned Games Only): Not Applicable
- Notables: Not Applicable

**Number of Returning Players:** 10 players are returning from the 2019 roster (which is the last season that the team competed in).

**Returning Past All Region/NCBA All American Award Winners (Please list player names, specific accolades & years won):** None

**Players to Watch:** While the team as a whole is going to be fun to watch this year, there are three players in particular that will catch eyes - Matt Faulcon, Matt Hauver, and Max McLellan. Faulcon was on the roster in 2019, but never got into a game. This year will be different; with arguably the greatest combination of raw power and speed to ever come through the program, Faulcon is going to do some serious damage. Hauver and McLellan are both hot shot rookies who are extremely well-rounded. They throw hard with phenomenal command of the strike zone, and hit just about everything that crosses the plate. The league better be ready for them to dominate for years to come.

**New additions:** Club Baseball at SJSU will be welcoming 18 new players into its program!

---

**Biggest Rival:** As the reigning champions of the 2019 season, we see Sonoma as our biggest rival.

**Best Player Nickname:** Our ace, Kyle Koperski, is known as ‘The Polish Rifle.’ This nickname developed due to his distinctly Polish last name and his unique ability to paint the corners of the strike zone.

**2021-2022 Season Outlook:** Club Baseball at SJSU is going to be extremely competitive this year. In addition to newly acquired depth and an exceptionally knowledgeable head coach, many of the core players from its previous winning years are returning.

**Manager Quote:** “We have a great group of guys who really know how to compete - and compete at a high level. This program has been very successful since its inception just over 5 years ago and I am looking forward to leading this group to another successful season. With great depth, a strong buy-in to our approach for the season, and dedicated players, our Spartan baseball team is ready for the 2022 season.”
