2022-2023 Season Outlook: We are looking to have a stellar bounce back season. Last year we were 1 game short of making the regional. 8 out of our 9 starting guys are returning plus a very strong freshmen class. We have 15 guys returning which is crucial to our leadership on the team. This is the strongest freshmen class we have had in the last 4 years. We are looking to bounce back and win the conference to get our bid to Regionals and carry that to the Word Series

2022-2023 Season Outlook: While losing 11 players last year- including a few big pieces, we have quickly rebounded and picked up 12+ new players who are more than capable of winning games. Many of these new additions will see immediate playing time. This team might be a little bit younger than last years team, but our roster has depth at every position- especially our pitching staff once again. This team has the expectation of winning our conference as well as making a deep run at a National Title.

Manager Quote: I believe that all of our past and new players are locked in and invested in this team. This team has the potential to be National Champions. -Ryan Nolan
