Returning Past All Region or NCBA All American Award Winners (Please list player names, specific accolades & years won):

2023: First Team All Gulf Coast Region: Justin Miller, Mario Misiti

Second Team: Ryan Adolfs, Jacob Wilhide

2024: First Team All Gulf Coast Region: Aidan Clatur

Second Team: Mario Misiti

Third Team: Jacob Friend

Players to Watch:

Elijah Gillette: A sophomore this season looking to build off of his wonderful freshman year posting a 3.2 ERA. Fastball up to 82-83 in the zone consistently. Will be a Saturday starter for us.

Colin Campbell: A two-way freshman who had a great fall season. Posted a 4-4 day in a scrimmage against KSU and closed the following game. Fastball and curveball combo is very lethal and will be a great bullpen piece and be a staple at the top of our lineup.

Payton Green: Another two-way freshman who plays third base and has an electric arm on the mound. Very sound defensively with a good power bat. We also expect Payton to be used out of the bullpen in high leverage situations.

Matt Lage: Another freshman who has an opportunity to fill a need at second base after our starter from last year graduated. Very smooth defensively with great bat to ball skills, he will help our lineup be complete top to bottom.

Grant Thigpin: An athletic sophomore newcoming to our team who plays to our team's theme of being a fast, disciplined, defensively minded team. Grant has all the tools to be a breakout star for our team this year.

Mario Misiti: Entering his junior year, Mario is looking to expand on his freshman and sophomore year campaigns finishing both with all conference honors. Mario is a true leader of our team and pushes his teammates to greater heights.

Ryan Adolfs: Our first baseman bats in the middle of our lineup and is always the right man in the right spot. Ryan has an exceptional work ethic and a non-complacent mindset, always looking for room for improvement.

Aidan Clatur: We as a team see Clatur as our 'spark plug.' Not only on the field but in the dugout as well. He has a high motor and a great attitude towards the game. When nothing is going right, we can count on Clatur to get the wheels turning in the right direction.

Austin Hopper: 'Hop' is our energizer bunny and Mr. Utility. He can play every position on the diamond at a high level and give us a few innings on the mound as well. He has been putting together great at bats all fall and giving our pitchers fits on how to get him out.

Biggest Rival: Auburn

Best Player Nickname: Fridge

2025 Spring Season Outlook: @South Carolina, @ Florida State, @ Kennesaw State, vs. Clemson, vs. Louisiana State, @Tulane, vs. Mississippi State, @Ole Miss, vs. Auburn

Manager Quote: Our goal for last year when it came to building our team was revolved around pitching. We understood from our 2023 trip to regionals, if you want to go far, you need to have depth at pitching. This season, we have 20 guys on our 31 team roster that can throw strikes. Our team is built for a post season run and it has become a standard to return to a regional again in 2025. Where we fell short last season was our hitting and finding ways to manufactor runs. We addressed our needs by adding a few

850 Ridge Avenue
Suite 301
Pittsburgh, PA 15212
Office: (412) 321-8440

more bats to our lineup to make for a complete 1-9, no breaks, lineup. The depth of our team is very deep. Our team understands their roles and knows if one player struggles, that's okay, the next man up has my back. The depth of our team helps the team, not the individual. Putting our individual pride aside and doing what is best for the betterment of the team is one of our team's core values.

Our team is built on the mindset of two things: first pitch strikes and quality at bats.

These two focal points on both sides of the ball are what drive our team to a higher standard. Doing everything we can in order to get the upper hand on our opponent.

We leave you with this, when it comes to a team in our league that is the most prepared, look no further than Alabama. Our team is well disciplined, hungry, and have a common goal for the season, win as a team. An excellent fall season puts our team in high spirits and ready for the spring season.

Our schedule is a marathon, not a sprint that Alabama Club Baseball is well paced for.
