

National Club Baseball Association

The Official Game Day Program

Family, Friends, and Fans of the NCBA,

We welcome you to Lloyd Hopkins Field here in beautiful Alton, IL. We are excited to have you in attendance for the 2025 NCBA World Series. For twenty-five years now, student athletes from colleges and universities across the country have competed for the chance to play for a National Championship. 2025 marks the third year the event will be held at Lloyd Hopkins Field, as our Division II World Series shares this same facility as it concluded this past week.

For those who are not familiar with the concept of Club Baseball, a Collegiate Club Baseball Program allows students the opportunity to continue playing competitive college baseball after high school. The beauty of Club Baseball is that these organizations are student run. Scheduling, travel planning, equipment purchasing, fundraising, and the rest of the off-field management falls directly upon the shoulders of the elected student officers. When young motivated college students put forth the required effort to run a successful Club Baseball Program just for the opportunity to continue playing, what you end up with are perfect ball players. By that we mean those who play for the sheer excitement of the game. They play for themselves. They play for the love of the game. For this reason alone, each one of these “Ball Players” is already a champion. Please take the time to congratulate them on the hard work they’ve put forth to make their Club Baseball Program successful enough to earn a chance to compete for the National Championship.

We would like to extend our appreciation to the Alton River Dragons and Great Rivers & Routes Tourism Bureau. Our corporate sponsors; Rawlings Sporting Goods, Easton & The Game. We’d also like to thank our local sponsors; Alton Sports Tap Without their support and enthusiasm, this event would not have been possible. We would also like to thank you, the families and fans, for coming and supporting Collegiate Club Baseball all across the United States. We have experienced tremendous growth within our organization, and as the NCBA continues to develop in the upcoming years, we hope that your interest will too. Thank you again for coming to the ballpark and we’re sure you’ll enjoy all the action.

Sincerely,

Sandy Sanderson
President
National Club Baseball Association

Jimmy Henderson
Director of Division I Baseball Operations
